### PROFESSIONAL EXPERIENCE

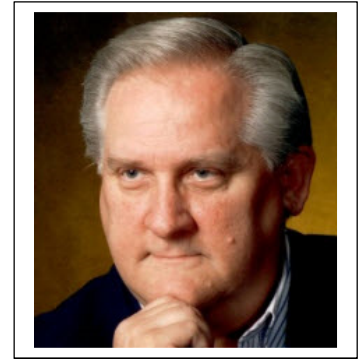

An accomplished design architect, Fred’s real love is the mechanics of design. He has specialized in the consultation and interpretation of building codes and ordinances, zoning, permitting, variances and approvals in the Austin real estate market. He also specializes in design build project delivery, construction administration, and management of projects of all types.

In addition to his own firm, Mr. Robinson is now associated with The Bommarito Group, thus reuniting old friends from the architecture and interior design industry of Central Texas.
